

**ASIA-WESTERN PACIFIC REGIONAL BRANCH  
INTERNATIONAL GEOTHERMAL ASSOCIATION  
A Geothermal Webinar for Asia and the Western Pacific**

**Is mineral recovery the future of  
the geothermal industry?**

**Mike O'Sullivan**

*COO and CoFounder  
Geo40*

**9 JULY 2021 – 3:00 to 3:30 PM (NZT)**

The presentation will cover the journey from concept to commercialisation of Geo40's silica recovery technology. This includes the challenges of developing a mineral recovery process in a geothermal environment and the opportunities it presents for the geothermal operators. Finally it will touch on the market for recovered silica and how it could have a major positive impact on the environment.
