Investment Opportunities for the Global Geothermal Impact Summit 2024

23 & 24 April 2024
Fokker Terminal, The Hague, The Netherlands
"The technology is ripe, and the potential is vast; now is the time to **invest** in geothermal energy and accelerate our journey towards a sustainable future.”

**FINANCING THE FUTURE OF GEOTHERMAL**

The Global Geothermal Impact Summit 2024 takes on a mission that is critical to our planet's future: financing geothermal energy. The conversation about geothermal energy often revolves around its technological advancement, ecological benefits, and potential as a renewable resource. However, there's a dimension that's equally vital yet often overlooked: the financial aspect.

**THE ROLE OF THE GGIS2024**

The Global Geothermal Impact Summit 2024 aims to be the epicenter of this financial conversation. By gathering experts from the geothermal sector, financial institutions, governmental bodies, and impact investors, the GGIS2024 will create a platform for dialogue, collaboration, and strategic planning. Sessions will explore financing models, risk management, public-private partnerships, impact investment, and more.
