Investment Opportunities for the

Global Geothermal Impact Summit 2024

23 & 24 April 2024
Fokker Terminal, The Hague, The Netherlands
"The technology is ripe, and the potential is vast; now is the time to invest in geothermal energy and accelerate our journey towards a sustainable future."

FINANCING THE FUTURE OF GEOTHERMAL

The Global Geothermal Impact Summit 2024 takes on a mission that is critical to our planet's future: financing geothermal energy. The conversation about geothermal energy often revolves around its technological advancement, ecological benefits, and potential as a renewable resource. However, there's a dimension that's equally vital yet often overlooked: the financial aspect.

THE ROLE OF THE GGIS2024

The Global Geothermal Impact Summit 2024 aims to be the epicenter of this financial conversation. By gathering experts from the geothermal sector, financial institutions, governmental bodies, and impact investors, the GGIS2024 will create a platform for dialogue, collaboration, and strategic planning. Sessions will explore financing models, risk management, public-private partnerships, impact investment, and more.
Explore innovative financing mechanisms and investment strategies in the geothermal sector. Understand the economic viability, return on investments, and risk mitigation strategies in geothermal projects. Our panel of industry experts will delve into case studies, providing valuable insights into the complexities of financing in the geothermal industry.

In an era where sustainability and social responsibility are becoming significant drivers for investment, learn how geothermal projects can offer lucrative opportunities for impact investors. Understand the social, environmental, and economic impacts of investing in geothermal energy, and how these projects can align with your impact investment goals.

The versatility of geothermal energy is what sets it apart from other renewable energy sources. This segment will highlight various applications of geothermal energy, from electricity generation to direct-use applications like heating and cooling. Learn about the latest technologies, innovative applications, and trends shaping the future of the geothermal industry.
# Opening Session & Keynotes
This session marks the grand opening of the summit. It features leading voices from Baseload Capital and EBN, who will set the stage by discussing the latest trends, innovations, and future prospects in the geothermal sector. Expect a compelling overview of how geothermal energy is shaping the global energy landscape.

# Podium Discussion
A dynamic panel session bringing together experts from Deep Energy Capital, Global Magnitude Finance, and Google LLC. This discussion will delve into the intersection of technology, finance, and sustainable energy, exploring how these sectors collaborate to drive forward the geothermal industry.

# The Future of Geothermal Financing: An overview of financing options for geothermal projects globally and Perspectives from Global Financial Institutions
This session offers an in-depth exploration of global financing options for geothermal projects. Representatives from the Inter American Development Bank (IADB), African Union, and ING will provide insights into the perspectives of global financial institutions, discussing innovative financing mechanisms and their impact on the industry's growth.

# Equity, Social, and Maturity Risks in Geothermal Projects
Focusing on the challenges within the geothermal sector, this session will address equity, social, and maturity risks. Experts from EBN, Kerogen Capital, and others will share their experiences and strategies for mitigating these risks, ensuring sustainable and equitable development of geothermal projects.

# New Frontiers in Geothermal Energy
A forward-looking session featuring Fervo Energy and Vulcan Energy, focusing on the cutting-edge topic of lithium extraction in geothermal energy. This session promises to shed light on how geothermal energy is not just about electricity generation but also about harnessing other valuable resources.

<thead>
<tr>
<th>Opening Session &amp; Keynotes</th>
</tr>
</thead>
<tbody>
<tr>
<td>FMO, the Dutch entrepreneurial development bank, opens the second day with a keynote session. This will provide valuable insights into sustainable development financing, especially in the context of geothermal energy.</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Podium Discussion</th>
</tr>
</thead>
<tbody>
<tr>
<td>A compelling panel discussion featuring representatives from WorldBank ESMAP, Pertamina, and more. The focus will be on global initiatives, challenges, and success stories in the geothermal sector, providing a comprehensive view of its global impact.</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>European Climate Neutral Cities Assembly: Successful Geothermal Financing Models in Cities</th>
</tr>
</thead>
<tbody>
<tr>
<td>This session showcases successful geothermal financing models implemented in European cities such as Aarhus, Munich, Paris, and The Hague. It will provide insights into how urban areas can adopt geothermal energy for a sustainable future.</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Financing local solutions for remote communities</th>
</tr>
</thead>
<tbody>
<tr>
<td>Featuring Greening The Islands (GTI), GIZ/ KfW, and others, this session will explore innovative financial solutions for implementing geothermal energy projects in remote and underserved communities, highlighting the role of sustainable energy in promoting inclusive growth.</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Closing Session:</th>
</tr>
</thead>
<tbody>
<tr>
<td>A wrap-up of the day's discussions, summarizing key points and concluding with forward-looking remarks, setting the stage for future engagements and collaborations in the geothermal sector.</td>
</tr>
</tbody>
</table>

### COURSES & MASTERCLASSES DAY 1 & 2 (23 & 24 APRIL 2024)

<table>
<thead>
<tr>
<th>Course</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Project Financing</strong></td>
<td>A deep dive into the nuances of securing funds for geothermal projects.</td>
</tr>
<tr>
<td><strong>Developing Effective Proposals for Geothermal Financing</strong></td>
<td>Expert advice on crafting proposals that attract investors.</td>
</tr>
<tr>
<td><strong>UNFC (United Nations Framework Classification for Resources) for Geothermal</strong></td>
<td>An exploration of this classification system and its implications for resource management.</td>
</tr>
<tr>
<td><strong>GSAP (Geothermal Sustainability Assessment Protocol)</strong></td>
<td>A detailed look at assessing the sustainability of geothermal projects.</td>
</tr>
<tr>
<td><strong>EU Taxonomy</strong></td>
<td>Aligning Geothermal Projects with EU Sustainable Finance Regulations</td>
</tr>
</tbody>
</table>

SPONSORSHIP OPPORTUNITIES

Platinum (max 2) € 35,000
- Speaking opportunity during a session
- Exclusive branding as platinum sponsor
- Full-page advertisement in the summit guide
- 8 full summit passes

Gold (max 4) € 20,000
- Speaking opportunity during a session
- Logo placement on selected marketing materials
- Half-page advertisement in the summit guide
- 4 full summit passes

Silver (max 4) € 10,000
- Logo placement on selected marketing materials
- 1/4-page advertisement in the summit guide
- 2 full summit passes

Above packages are examples only. Contact us to discuss your personal package: contact@ggis2024.com

Coffee Break Sponsor (4 breaks available) 3,000 EUR each
- Exclusive branding during coffee breaks
- 1/8-page advertisement in the summit guide

Lunch Break Sponsor (2 breaks available) 4,000 EUR each
- Exclusive branding during lunch break
- 1/4-page advertisement in the summit guide

Conference Party Sponsor (max 1) 10,000 EUR
- Exclusive branding during the conference party
- 2 full summit passes
- Speaking opportunity during the party
- 1/2-page advertisement in the summit guide

Zero Waste Event Sponsor 5,000 EUR
- Exclusive branding as zero waste event sponsor on selected marketing materials.
- 1/4-page advertisement in the summit guide

Merch Sponsor (Lanyards, Pens & Notebooks) 4,000 EUR
- Company logo on lanyards, pens and notebooks distributed to all attendees
- 1/4-page advertisement in the summit guide
JOIN US AT THE SUMMIT

The Global Geothermal Impact Summit 2024 is the premier event focusing on the financial aspects of geothermal energy, impact investment, and geothermal applications. This is your chance to be part of a transformative experience that will shape the future of the geothermal industry.

Become a Sponsor
Elevate your brand and gain unparalleled exposure by becoming a sponsor of the summit. Various sponsorship packages are available to suit your needs, each offering exclusive benefits and visibility.

Attend the Summit
Don't miss out on this ground-breaking event. Whether you're an industry professional, policymaker, investor, or simply passionate about geothermal energy, this summit is for you.

"The GGIS2024 is an incredible opportunity to lead the renewable energy revolution. As the CEO of IGA, I see the urgency to focus on financial aspects of geothermal energy, impact investment, and various applications. Your participation in this summit will contribute to shaping innovation, growth, and global sustainability. Join us as we make strategic investments to harness geothermal energy, paving the way for a greener future."

Dr. Marit Brommer
IGA CEO
